

## ***Business Continuity Plan***

### **Summary Plan Disclosure**

Tritower Real Estate Capital, LLC (“Tritower” or “Firm”) has developed a Business Continuity Plan on how we will respond to events that significantly disrupt our business. Since the timing and impact of disasters and disruptions is unpredictable, we will have to be flexible in responding to actual events as they occur. With that in mind, we are providing you with this summary information from our business continuity plan.

**Contacting Us** – In the event of a significant business disruption you can contact us by telephone at 781-222-5900, email [info@tritowerfinancial.com](mailto:info@tritowerfinancial.com) or visit our website [www.tritowerfinancial.com](http://www.tritowerfinancial.com).

**Our Business Continuity Plan** – We plan to quickly recover and resume business operations after a significant business disruption and respond by safeguarding our employees and property, making a financial and operational assessment, protecting the Firm’s books and records, and allowing our customers to transact business. In short, our business continuity plan is designed to permit our Firm to resume operations as quickly as possible, given the scope and severity of the significant business disruption.

Our business continuity plan addresses: data backup and recovery; all mission critical systems; financial and operational assessments; alternative communications with investors, employees, and regulators; alternate physical location of employees; critical supplier, contractor, bank and counter-party impact; regulatory reporting; and assuring our investors prompt access to information about investments if we are unable to continue our business.

**Varying Disruptions** – Significant business disruptions can vary in their scope, such as only our Firm, a single building housing our Firm, the business district where our Firm is located, the city where we are located, or the whole region. Within each of these areas, the severity of the disruption can also vary from minimal to severe. In a disruption to only our Firm or a building housing our Firm, we would transfer operations to a local alternative site, if needed, and expect to recover and resume business within *24 hours*. In a disruption affecting our business district, city, or region, we will transfer our operations to a site outside of the affected area and recover and resume business within *48 hours* or as soon as practicable.
